Your Cycling Collisions Personal Belongings Checklist

As part of your cycling collisions claim, we are able to claim back the cost of items that were damaged as a result of the incident. Please list in the table below all items damaged due to the incident. For example, you could claim for:

- Helmet
- Clothing
- Gloves
- Pannier or other travel bags
- Glasses/goggles
- Sat nav/GPS/other performance computers

If you have it, please retain and provide copies of any proof of purchase for the items you'd like to claim for. This may include a receipt, or a bank statement confirming the purchase. Could you also provide us with a photograph of the damaged item and ensure that you retain the item itself?

If you intend on having any items repaired, please make sure you take photographs of the damage before the repair takes place. Can you keep hold of the receipt for the cost of the repair? If you obtain a quotation for a repair then please let us have that.

Item Description	Item Retained? Y/N	When Purchased	Original/Estimated Price
